

# St. Andrew's Church Plans Rally Sunday

Sunday will be Rally Day at St. Andrew's Episcopal Church, according to the Rev. Hugh R. Percy, rector.

Registration for Sunday School classes and for other church organizations will be conducted, the rector said. Registration tables for Sunday School and for the Girls Friendly Society will be manned beginning about 9 a.m. and will continue until after the 9:15 a.m. worship services, he said.

Organization of the fall Sunday School classes is being supervised by Mrs. Marilyn Scott, who has been named Director of Religious Education for the parish. Mrs. Scott succeeds Arthur Stillwell, who asked to be relieved of the assignment after several years in the post.

Open Sunday School sessions will continue during September and the newly organized classes will begin meeting in October, Mrs. Scott announced.

# Play Opens At Chapel On Weekend

"Family Portrait" will open for four weekend performances at the Wayfarers' Chapel in Portuguese Bend Friday evening at 8 o'clock in the outdoor amphitheater.

The play, written by Lenore Coffee and William Cowen, tells of the impact of Jesus and His teachings on His family and neighbors.

There will be no admission charge. Productions costs will be met through a goodwill offering to be taken at each performance.

Performances are scheduled Friday and Saturday evening and again Sept. 17 and 18. Persons planning to attend are advised to take a warm wrap or blanket for the latter part of the evening. Coffee will be served during intermission.

The Wayfarers' Chapel plans to produce the play each year in the late summer.

# 'Substance' Is Subject Of Lesson

Christian Science churches will explore the subject of "Substance" this Sunday.

Passages to be considered from the Christian Science textbook will include these lines: "Mortals must look beyond fading finite forms, if they would gain the true sense of things... When we realize that Life is Spirit, never in nor of matter, this understanding will expand into self-completeness, finding all in God, good, and needing no other consciousness."

Bible passages will include verses from I Corinthians: "As it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God."

SCIENCE UNIT... A new \$25,000 mobile science unit will be used by the Hawthorne Christian Schools when classes resume this fall. The new Palo del Amo Woods school will be the first to show the scientific exhibits from many of the nation's leading industrial and aerospace firms. Hawthorne Christian Schools will open the newest of their schools in the heart of the Palo del Amo Woods development next month.

# Church to Host Narcotics Foundation Speaker Sunday

Speaking on one of the major problems of our day, a guest speaker, Rev. Paul Friedman, of the Narcotic Educational Foundation of America, will bring an interesting and informative message at the Torrance Community Baptist Church located at 925 West 223rd St., on Sunday at 7:30 p.m.

Recent reports indicate that about 20 per cent of the national narcotic problem exists in the state of California, and that Southern California is rapidly emerging as the number one narcotic problem area in our nation, according to the Rev. Charles Phelps, pastor.

Fifty per cent of the crimes in metropolitan areas of the nation are committed by addicts desperately trying to support their addiction. "This illicit traffic is a constant threat to our youth and a growing menace to every community in our nation," the pastor said.

# Church Sets Dates for New Course

Applications for enrollment in the first unit of a three-unit course being offered by the Redondo-Torrance Church of Religious Science, 907 Knob Hill Ave., are now being accepted.

Classes will be held each Thursday evening from 7:30 until 9:30 at the church, beginning Sept. 30. Single enrollments are \$25 for the full unit and \$40 for a husband and wife enrollment.

The course, a first year accredited course in "The Science of Mind," is sponsored by the International Association of Religious Science Churches. Additional information may be obtained by calling 375-3579 or 378-8435.

# Pre-School Classes Set At St. James

St. James Catholic Church will begin its fifth year of Sunday School classes for pre-school children Sunday.

The Rev. Richard Miskella will be spiritual advisor for the classes and Mrs. Emmet McKinnon has been named Sunday School chairman for the coming year.

Mrs. McKinnon said the pre-school text, "All for Jesus" by Sister M. Agnes Therese, I.H.M., which was introduced last year at St. James will be used for the pre-school classes again this year.

The children, age 3 to 5, will study the life of Christ, the Catholic Church, the Sacraments, and fundamental prayers and hymns.

Classes will be held each at the rectory.
